Dear Parish Families and Friends,

The escalating rise and surge in the infections from Covid-19 and its more dangerous variants of concern have given our Provincial Government and Diocese of Hamilton no choice but to enact further, more restrictive measures to curtail the spread of the virus, especially for the sake of our hospitals' ICUs, beds, and medical response personnel.

Thus, **stay-at-home orders** plus other restrictions to public mobility were broadcast by the Govt on Friday, 16th April, 2021 until a medical and governmental re-assessment of the severity of the situation takes place. Therefore,

Hamilton Diocese, as per the new government directives, has **closed all Churches until further notice**.

Meanwhile, our office will remain 'virtually' open, Tuesdays to Fridays, 10am to 3pm, with voicemail and email answered within 24 hours. Emergency calls will be responded to as soon as possible. In person appointments are discouraged, unless negotiated with pastor. The office will be closed on Mondays as usual.

For now, please keep well and safe, positive and cheerful. Jesus is always by our side. With God's grace and love for us, all will probably end sooner than we expected, and all will be forgotten except for important lessons in life and love and faith, learned from our challenges. Then, all of God's creation will renew itself with the help of the Holy Spirit.

Blessings of Peace, Hope and Joy in Christ Jesus. – Father Chris.

Solemnity of the Most Holy Body and Blood of Christ

The Solemnity of Corpus Christi dates back to the 13th century. In Belgium, following the mystical experiences of Saint Juliana de Cornillon, a local feast dedicated to the Most Holy Eucharist was established in Liège in 1247. Several years later, in 1263, a Bohemian priest on pilgrimage to Italy was afflicted by doubts about the Real Presence of Jesus in the Blessed Sacrament. While celebrating Mass in the town of Bolsena, he experienced a Eucharistic miracle, when a few drops of blood were shed by the broken Host after the consecration. The very next year, in 1264, Pope Urban IV extended the feast of Corpus Christi to the whole Church.

**Statement from the Canadian Conference of Catholic Bishops
following the recent discovery
at the former Kamloops Indian Residential School
on the Tk'emlúps te Secwépemc First Nation**

On behalf of the Canadian Conference of Catholic Bishops (CCCBC), I express our deepest sorrow for the heartrending loss of the children at the former Kamloops Indian Residential School on the Tk'emlúps te Secwépemc First Nation.

The news of the recent discovery is shocking. It rekindles trauma in numerous communities across this land. Honouring the dignity of the lost little ones demands that the truth be brought to light.

This tragedy profoundly impacts Indigenous communities, with whom many people across this land and throughout the world now stand in solidarity.

As we see ever more clearly the pain and suffering of the past, the Bishops of Canada pledge to continue walking side by side with Indigenous Peoples in the present, seeking greater healing and reconciliation for the future.

We lift up prayers to the Lord for the children who have lost their lives and pledge our close accompaniment of Indigenous families and communities.

May our Creator God bless all of us with consolation and hope.

Statement For Media Release, May 30, 2021 - Regarding news from the Tk'emlúps te Secwépemc Nation (Kamloops Indian Band) of the discovery of the remains of 215 children at the Kamloops Indian Residential School.

.....

On behalf of the Missionary Oblates of Mary Immaculate, I wish to express my heartfelt sadness and sincere regret for the deep pain and distress the discovery of the remains of children buried on the grounds of Kamloops Indian Residential School brings to the Tk'emlúps te Secwépemc First Nation, and other affected indigenous communities, especially family members of the deceased. I appreciate the sensitive and respectful way in which this difficult work is being carried out. This heart-breaking discovery brings the tragedy of the residential school system into the light once again and demands that we continue to confront its legacy.

The Missionary Oblates were administrators and teachers at the Kamloops Indian Residential School. Through our own ongoing reflection, and the work of the Truth and Reconciliation Commission, we are growing into a deepening awareness of the damage caused to indigenous peoples, the enduring harm caused by colonization and the part our religious order played in it through the residential school system.

This growing awareness leads us to an increased desire to listen deeply and learn from indigenous communities where Oblates continue to live and minister. The Oblates remain committed to humbly participating in ongoing efforts towards reconciliation and healing for our role in this painful part of our shared history.

Sincerely,
